“He’s making a list. Checking it twice. Going to find out who’s naughty or nice…….”

The Foundation is proud to publish an early version of **“Santa’s CMA EF 2022 Nice List”**. We are grateful for the generosity of the following individuals and companies for their donations of time, money, and raffle items in 2022 in support of our mission to promote and support maritime education through scholarships, internship stipends, and the research competition.
